HEAVY WASHOUT

the A. & S. E. Between Fairbank and Bisbee.

The storm yesterday evening was ery heavy on the upper San Pedro south of the old town of Charleston and along the line of the A. & S. E. damaging that road considerably, but the extent is not not known. There was no train from Bisbes this morning. The work train went out from Frirbank last night but found that the road bed was completely submurged and had to come back. They went out again this morning, and as they had not returned up to the time the stage left Fairbank at noon, it is supposed the water had run down sufficiently

for the men to go to work. The rain is said to have been unusually heavy and that the whole country south of Charleston and along the river botton was covered with a torrept of rushing waters whose roaring was as that of a heavy train of cars on trestle work. The damages to the railroad is thought to be great, though as before stated the extent is not known.

On account of this storm we have no Bisbee news today, but trust that by tomorrow everything will be righted and trains running regular again.

Two Lives Saved.

Mrs. Phoebe Thomas of Junction City Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching consump-tion, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is uch results, of which these are samples, that prove the wonderful efficacy of the, medicine in coughs and colds. Free trial bottles at Tombstone and Bisbee drugstores. Regular size 50c. and \$1 00

As the head of the Vanderbilt family Cornelius Vanderbilt controls 27, 000 miles of railroad, capitalized at over \$300,000,000. He helds the welfare of thousands in his hands.

Among the numerous persons who have been cured of reheumatism by Chamberlain's Pain Balm, mention should be made of Mrs. Emily Thorne of Toledo, Wash., who says: "I have never been able to procure any medicine that would relieve me of rheumatism like Chamberlain's Pain Balm. I have also used it for lame back with great success It is the best liniment I have ever used and I take pleasure in recommending it o my trien is." For sale by Drugg ists

I read in the Christian Star Mise A. M. Fritz Station A. St Louis Mo., would give an elegant plated hook spoon to anyone sending her 10 2 cent stamps. I sent for ope and found it so useful that I showed it to my friends and made \$13 in two hours taking orders. The hook spood is a household necessity. It cannot slip into the dish or cooking vessel, being held in place by a hook on the back. Anyone can get a sample spoon by sending ten 2 cent stamps to Miss Fritz. This is a splendid way to make money around home. Very truly, j27-13: JEANNETTE JEANNETTE S.

A CHANCE TO MAKE MONEY. I have berries, grapes and peaches a year old, fresh as when picked. I use the California Cold process, do not heat or real the fruit, just put it up cold, keeps perfectly fresh, and costs almost nothing; can put up a bushel in ten minutes. Lust week I sold directions to over 120 families; anyone will pay a dollar for di ections, when they see the beautiful samples of fruit. As there are many people poor like myself, I consider it my duty to give my experience to such, a d feel confident any one can make one or two hundred dollars round home in a few days. I will mail sample of fruit and complete directions, to any of your readers, for eighteen two c nt stamps, which is only the actual cost of the samples, postage, etc. to me. 13t, FRANCIS CASEY, St Louis, Mo.
